

# Our vision is to boldly reach new summits while positively influencing the world.

## Full Closure Due to Inclement Weather

The first **two** days, when the weather closes school, will be full closure days for **all**. These are essentially “traditional snow days.” ALL school facilities are CLOSED. Students and staff do not report to school and are not expected to work remotely. Prodigy Childcare **WILL NOT** be available.

If a closure day is required after the district has used its **two** “traditional snow days,” we will follow the below model:

- **Middle school will engage in synchronous eLearning.**
  - Synchronous eLearning “snow” days start two hours later than the normal school start time. The later start time allows students and teachers to prepare for short-notice remote learning. Staff and students will attend courses remotely based on the “bell” schedule. Homeroom teachers will provide schedules and instruction for remote learning days, including expectations for electives classes. Chromebooks **WILL NOT** be available for students to complete remote learning.
- **Elementary school is closed.**
  - Elementary students do not attend in person or remotely. There is no eLearning for K-5 students. Elementary school teachers will work remotely and start their days two hours later than their normal start time.
- **Preschool is closed.**
- **After-school activities, athletics, meetings, etc., are canceled.**
- **Non-classroom teachers and other school staff** will work remotely and be available by phone/email during regularly scheduled work hours.
- **Prodigy Childcare** WILL NOT be available.

## Two-hour Late Start Due to Inclement Weather

When inclement weather causes a two-hour late start to allow for safe travel to and from school, all students and staff report in person two hours later than the normal school start time. There will be no eLearning for two-hour delays. All learning is in person when there is a two-hour late start. Prodigy Childcare will begin two hours later at 8 AM. Students may wear jeans with a uniform shirt. Breakfast will not be provided, and lunch will proceed as normal.

- **Morning preschool** is canceled when a two-hour late start occurs. Afternoon preschool will start at its normal scheduled time. Full day preschool will start at 10:30 AM.
  - If a delay start is called on a scheduled **early release Wednesday**, ALL students will have a “traditional snow day” unless the delay falls into the third day of a full closure. On the third day, students and staff will follow the model outlined for a full closure.
- **Prodigy Childcare** WILL BE available beginning at 8 AM.

## Early Release

Occasionally situations arise when the weather moves in mid-day, and we need to release students early.

In these situations:

- Parents are urged to develop a plan for situations when their student may be released early to ensure students and staff can get home safely.
- Parents will be notified by phone and email through ParentSquare alerts.
- Information will be posted on our website and social media.
