Introduction

The Board of Directors of New Summit Charter Academy (NSCA) has established the overarching dress code policy guidance in JICA-NSCA. The uniform policy, JICA-NSCA-R, is an essential hallmark of the NSCA academic culture. Wearing uniforms impacts the school positively by:

- Fostering a distinct and positive “NSCA Appearance.”
- Decreasing distractions.
- Increasing wardrobe equity.
- Supporting easy identification of visitors or strangers.
- Giving parents and students an opportunity to demonstrate mutual support of NSCA's core values and beliefs.
- Teaching students the importance of self-discipline and personal responsibility.
- Increasing group coherence and discouraging cliques or other forms of divisive or polarizing activities.

Uniforms are mandatory for all NSCA students. Wearing uniforms is intended to promote safety, improve discipline, and enhance the overall learning environment. Proper wearing of the uniform also shows pride in oneself and in NSCA. Students are expected to be in uniform from the time they enter the building in the morning until dismissal. After dismissal, students on campus may be out of uniform but must still be modestly and appropriately dressed. Uniforms must be worn on field trips unless the administration approves otherwise. Uniforms are not required for any evening or weekend activities unless specified by the administration or the activity supervisor.

Uniform Wear Guidance

Students must present a neat appearance. Uniforms are to be of an appropriate size/fit, and they must be worn as intended by the policy. A student can be out of compliance for wearing non-approved items, or by wearing approved items in a manner that is sloppy or otherwise inappropriate. The appearance that is extreme, immodest, disruptive, distracting, profane, or disrespectful so that it would draw undue attention shall not be allowed. Included in distracting wear is clothing with statements, slogans, or conspicuous political, religious, or other symbols or references.

Parent and Staff Responsibilities

- Parents have the responsibility to ensure that their students arrive at school in the proper uniform.
- Within the school, the uniform policy will be enforced by the classroom teachers, other staff members, and administrators who will make final decisions regarding uniform issues.
- Cheerful, consistent compliance with the policy by all is expected.

Consequences for Uniform Violations

Uniform violations may be annotated in the student's planner or otherwise documented (uniform violation report). If a student violates the uniform policy in a manner that cannot be immediately corrected, the student may be asked to call her/his parent or guardian to bring an appropriate uniform item(s) which will enable the student to comply with uniform policies. The teacher may request office assistance for the students in this situation.
